Gentlemen:

Enclosed please find a draft of a contract between the University of Delaware and the County for a testing program at the Tybouts Landfill.

This contract will establish the test program as specified in Water & Air Resources Commission approval APC 68/105, Paragraph 16, and in State Board of Health Approval 1968-3, Paragraph 2.

Your approval and comments of this draft is hereby requested. There will be some minor editorial changes and a paragraph specifying the frequency of field testing will be added.

We are suggesting a weekly collection of data.

Very truly yours,

G.W. Dutcher  
Director of Public Works
